EXTORTION

JAMES W. MULROY, Executive Secretary to Governor STEVENSON, has advised that the Governor has been receiving a large amount of mail in connection with some remarks Governor STEVENSON made recently about General MacARTHUR. Mr. MULROY stated a large amount of mail has been received condemning the Governor's statements. Mr. MULROY stated that the Governor usually does receive a large amount of crank letters and pays but little attention to them. However, he stated he enclosed one "crank letter" which he said he was forwarding inasmuch as it is possible the crank may also be writing threatening notes to President TRUMAN, as well as to Governor STEVENSON.

This note is as follows:

"You Traitorous S.O.A.B. RESIGN AT ONCE, or prepare to die. Take your choice. Your attitude regarding Hiss, and your remarks regarding McArthur show you are a TRAITOR."

This matter was taken up with AUSA MARKS ALEXANDER, Southern District of Illinois, who advised that despite the fact it is probably only the work of a crank, he believed the matter should be referred to the Chicago Office of the FBI to be taken up with the United States Attorney there inasmuch as the letter was sent from Chicago.

The original of the note described above is being forwarded herewith to Chicago.
